Delaware Fillies Fast-Pitch is a girls' travel softball organization that competes in regional tournaments in Delaware, Maryland, Pennsylvania, and New Jersey. The organization and its members are currently seeking sponsorship for the upcoming season. Most of our players are from the tri-state area, including New Castle, Kent, Cecil, Chester Counties, and South Jersey. All sponsorships and donations received will be applied to player fees where applicable, while also helping to offset travel expenses, equipment costs, and other costs related to field use or indoor facilities.

Our goal as an organization is to provide life-long learning experiences through the game of softball. We teach our student athletes to compete at the highest level, while developing strength and character through teamwork and good sportsmanship. We encourage our players to work hard and excel in the classroom as well as on the field.

This is a great opportunity for you or your company to receive exposure and support a worthy cause in the community. As a participating sponsor you will receive.

- Logo or name displayed on Fillies website

Gold Sponsor - \$500.00 and above
